/AN APPEAL/

Dear Alumni,

Greetings!

A strong Alumni Network is the strength of an institution and we really appreciate support from all our dear Alumni.

We are glad to announce that Dera Natung Government College (erstwhile Government Degree College Itanagar) established in 1979, has taken this decision to set up a new portal to register and create a data base to keep the Alumni connected to their college- the alma-mater. We now look forward to expansion of our activities and continuous engagement with our Alumni. As we reflect on the growth and progress of our college, it has been a long journey dotted with many milestones of success and glory.

Dera Natung Government College, as a premier institution has glorious history in its forty four years of existence- producing eminent academicians, scientists, social workers, sports-stars, litterateurs, politicians, leaders in various fields, administrators, artists etc.

The college contemplates seriously to connect you to track your progress. It was not over when you passed out from college. Wherever you are, however long it has been since you've connected with college, DNGC will always be a part of your life. To fill in this gap the DNGC has decided to take an initiative to ensure a continuous engagement with the Alumni.

In view of this, we appeal to all the Alumni of Dera Natung Government College to visit the following link and spare some time to fill in the details and to contribute minimum Rs.100/ through the QR code as registration fee on or before 30th April 2023. We hope this facilitates an easier means of reunion with your class and batch-mates. You are cordially invited to attend the 'Alumni Meet' on 13th May, 2023 at 10:30 am in the auditorium of the college. Please confirm your participation in this mega event through WhatsApp @ 7005482014/9863525820/9402963147

The college looks forward for your active participation and involvement in the growth of your alma mater.

<https://dngc.ac.in/alumni.registration>

Your registration will greatly enhance and add value to our Alumni Database as well as to the institution.

With Lots of Love,

(Dr. M. Q. Khan)

Principal, DNGCI
